*Supporting Adventist Healthcare in the Rocky Mountain Region*

Because of you, Porter Hospice continues to provide hospice care for patients and families going through a very difficult time. As we prepare for our 18th annual Soup for the Soul event, we invite you to partner with us in raising \$175,000 this year to impact lives in our community.

With a commitment to providing quality comprehensive care to those nearing the end of their life journey, **Porter Hospice ensures that every patient receives the dignity, comfort, and compassion they deserve, regardless of their ability to pay.** With your partnership, our Soup for the Soul event continues to make this much needed family support possible.

Our hospice care is provided in private homes, nursing homes, our hospitals and at our 17-bed residential facility, Porter Hospice Residence, in Centennial, Colorado. We also serve children with life-limiting illnesses and their families through The Butterfly Program, with pediatric palliative and end-of-life care. It is only because of your generosity that we are able to provide these services.

To support the continued development of this special care, all proceeds from Soup for the Soul will benefit Porter Hospice. We hope you can join us this year at Soup for the Soul at Wings Over the Rockies Air & Space Museum on Thursday, February 22, 2018.

**Thank you for making this year's  
Soup for the Soul the best yet!**
