By providing preventive health services and programs, Centura Health is helping to improve health and reduce the need for costly emergency treatment and acute care. Community benefits improve access, enhance health, advance medical or health knowledge, and relieve or reduce the burden of government.

Total Community Benefit: $6,044,300
Patient encounters supported with Medical Financial Assistance: 4,457
Total Community Impact: $24,038,743

**Behavioral Health:** Implemented integrated behavioral health services into primary care setting to increase access to screening and treatment.

**Behavioral Health:** Partnered with Let’s Talk Colorado to reduce stigma associated with behavioral health. This campaign achieved 45,744,882 impressions throughout the Region.

**Access to Care:** Enrolled 1,397 people into available coverage.

**Collaboration:** Provided 1,239 staff hours to address community health needs through direct support and partnerships with community organizations and coalitions. It is through partnerships that we can ensure we are doing meaningful work.

Community Health Needs Selected With Our Community:

- **Healthy Eating**
- **Active Living**
