By providing preventive health services and programs, Centura Health is helping to improve health and reduce the need for costly emergency treatment and acute care. Community benefits improve access, enhance health, advance medical or health knowledge, and relieve or reduce the burden of government.

Total Community Benefit: **$11,361,444**

Patient encounters supported with Medical Financial Assistance: **3,344**

Total Community Impact: **$29,041,764**

**Healthy Eating and Active Living:**
Reached 2,664 unique people in the community to support behavior change related to healthy eating and active living.

**Healthy Eating Active Living:**
Donated 5,000 pounds of food from our community garden to increase access to healthy food within our community.

**Behavioral Health and Suicide Prevention:**
Partner with Douglas County Mental Health Alliance to develop Universal Shared Agreement to manage behavioral health care in the community by helping people to get to the right care at the right time. Provided Mental Health First Aid classes to reach 48 community members.

**Access to Care:**
Enrolled 326 people into available coverage.

Community Health Needs Selected With Our Community:
