By providing preventive health services and programs, Centura Health is helping to improve health and reduce the need for costly emergency treatment and acute care. Community benefits improve access, enhance health, advance medical or health knowledge, and relieve or reduce the burden of government.

Total Community Benefit: $60,391,270
Patient encounters supported with Medical Financial Assistance: 12,417
Total Community Impact: $119,026,012

Community Health Needs Selected With Our Community:
- Injury Prevention
- Behavioral Health
- Access to Care
- Healthy Eating
- Active Living/Obesity

**Behavioral Health:** Active members of the Jefferson County Health Alliance, committed to improving the health of Jefferson County residents through county-wide collaboration with a priority of supporting behavioral health wellness.

**Access to Care:** Enrolled 1,050 people into available coverage.

**Healthy Eating:** Partnered with GoFarm to offer fresh produce to 556 community members in three locations which accepted SNAP and Double Up Food Bucks. Additionally, through this partnership, produce was donated to 515 lower income community members through the Community Access Program.

**Collaboration:** Provided 15,158 staff hours to address community health needs through direct support and partnerships with community organizations and coalitions. It is through partnerships that we can ensure we are doing meaningful work.
