

# Enjoy an Incredible Career at Centura Health!

## Who is Centura Health?

Centura Health is the region's largest health care system. We connect individuals, families and neighborhoods across Colorado and western Kansas with more than 6,000 physicians and 21,000 of the best hearts and minds in health care. Through our 17 hospitals, two senior living communities, neighborhood health centers, physician practices and clinics, home care and hospice services, and Flight For Life® Colorado, our caregivers make the region's best health care accessible. We're on a mission to build flourishing communities and whole person care.

## OrthoColorado Hospital Overview:

OrthoColorado Hospital is Colorado's only orthopedic specialty hospital and is designed specifically for the orthopedic patient. With such a specialized facility and team of experts, we have the utmost in experience and understanding of the needs of orthopedic patients – meaning better outcomes, increased patient satisfaction and a reduced risk of infection or complications. Located on the St. Anthony Medical Campus, OrthoColorado Hospital is a joint venture between physician investors and Centura Health. Our state-of-the-art facility features a 48-bed inpatient unit, including six intermediate care beds and eight operating rooms. All members of our team from pre-operative care through recovery and our inpatient nurses are specialty trained in orthopedics. Our surgeons are renowned for their talent, knowledge and experience in their orthopedic specialties and sub-specialties. Having a team with a focused background and years of experience allow our associates to provide an unprecedented level of care, resulting in the best outcomes and experience for our patients.

## Ortho Unit Overview:

The Ortho Unit at OrthoColorado Hospital has 42 beds that are med/surg/tele. We also have six beds that are considered Progressive Care (PCU). Our volume is typically low on the weekends and holidays, averaging two to six patients. During the week our volume is between 24-30 patients. We specialize in orthopedic surgery concentrating on joint replacement and spine surgeries. We do not get overflow from other areas. We are exclusively an elective orthopedic surgery hospital. We do not have an Emergency Department and do not accept direct admits currently. Our mission is to provide a five-star customer service experience through a culture focused on safety, quality and service. We pride ourselves on the teamwork that our unit is known for. Our culture is driven by ensuring everyone has a voice and is respected for the qualities they bring to our team. We

look for team members who have a great work ethic and are motivated to provide the best patient experience possible.

### **Surgery Overview:**

The Surgery department at OrthoColorado Hospital has 11 pre-op beds, eight OR suites, ten PACU bays, 48 inpatient beds and specializes in orthopedic surgery. Our patient mix is spine, orthopedic including total hips, knees, shoulders and ankles, sports med, foot and ankle, hand and wrist. OrthoColorado Hospital provides advanced orthopedic and spine care with an unsurpassed level of service to help patients achieve the best quality of life. Our team of physicians and nurses work collaboratively to support the healing ministry of Christ by caring for those who are ill and by nurturing the health of the people in our communities. OrthoColorado has a great culture and our caregivers enjoy the small size hospital feel. We only do elective cases which means we just operate Monday through Friday, are closed on weekends and major holidays and do not have on-call. We look for team members that have enthusiasm, a positive attitude, punctuality and are team players.
