PROGRAMS TO IMPACT

EMPLOYEE FINANCIAL ASSISTANCE

We all face unexpected financial challenges due to illness, loss of a loved one, accidents, etc. Gifts toward Employee Financial Assistance provide a safety net for all of us who work together at Parker Adventist Hospital.

CANCER CENTER

In addition to providing compassionate, quality care to those facing a dreaded cancer diagnosis, we offer counseling and support and strive to put some of the control back into the patient's hands through nutritional and genetic counseling. Your support will help us continue saving lives and exceeding expectations.

PARKER CHRISTMAS STORE

Our beautiful community is home to many families who are struggling financially. Your gifts to the Christmas Store make the holiday season a little brighter for these families by giving children an opportunity to choose gifts for their siblings, parents, and something special for themselves!

HEALING ARTS PROGRAM

In addition to great medical care, we have an opportunity to make a greater impact on whole person care through art and therapeutic music. Healing Arts and compassionate care come together to heal the body, mind, and spirit of our patients. Your gifts will inspire healing and well-being for both patients and associates.

NURSE EDUCATION

Nurses are key to our patients' experience and recovery. Your gifts will enhance and expand ongoing training and education for our exceptional nursing team here at Parker Adventist Hospital.

GLOBAL HEALTH INITIATIVES

With all of the privileges we have here in Colorado, we have the opportunity to extend the healing ministry of Christ beyond our community. Choose where to give: Your GHI gift for *Patient Assistance* will directly improve countless lives in Nepal, Peru, and Rwanda, where we partner with local hospitals to provide desperately needed medical care. Select *Trip Scholarship* to help give more of your coworkers an opportunity to experience a life-changing GHI Trip.

Who do you want to help? How are your actions inspired by your values?

These are just some of the things to consider when you think about the impact your actions can have on our communities.

Every day, our incredible people are driven by their individual purpose and collectively unified by our Centura Health Mission. We appreciate the difference you make for our hospitals and caresites through your dedication to provide whole person care for our communities.

And we'd like to invite you to make an even bigger impact!

Your gift will make a meaningful difference for patients, communities, and fellow associates—saving lives, soothing souls, giving hope.

Every gift matters. Every gift will make a difference.

YOUR GIFTS IN ACTION:

Thank you for amplifying our shared desire to make a difference – one whole person and one healthy neighborhood at a time! Here are just a few ways associate giving helped make a difference last year:

- 15 Parker associates received help during times of great need through **Employee Financial Assistance**
- 9,219 patients experienced **Healing Arts** music or massage therapy here at Parker
- 140 families received gifts through the **Parker Christmas Store**
- 3,605 patients in Nepal, Rwanda, and Peru were seen through **Global Health Initiatives**

What can we do together this year?

Thank you

Please drop off your completed form in the box outside the cafeteria, or interoffice it to Rachel Robinson at PKR Foundation.
